WHAT YOU NEED

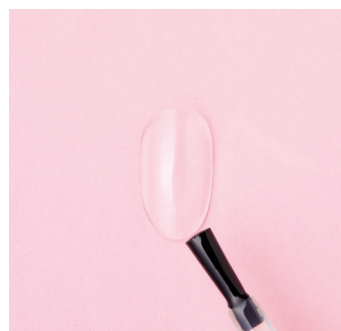

A nail file, UV base gel, UV non-wipe matte top gel, UV resin clear gel, syrup color gel (black & pink), 3D gel (green, orange, white), gel brushes, 3D gel cleanser & an LED lamp.

GETTING PREPARED

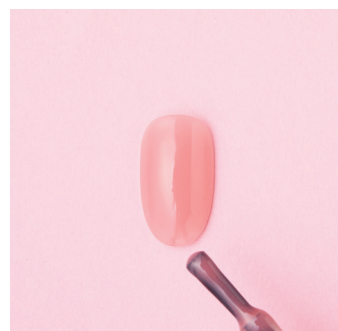

Prepare your table in an organized manner eliminating cross contamination from the products. Make sure all necessary products are within hand's reach, so the gel pots & colors are ready to use on the nail desk.

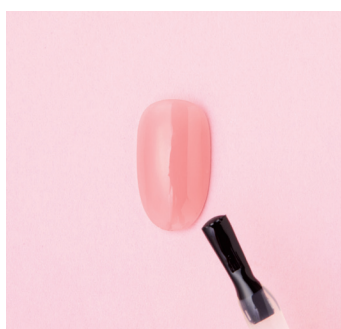

1 Choose the correct full cover sized nail tip & file to your desired shape & length.

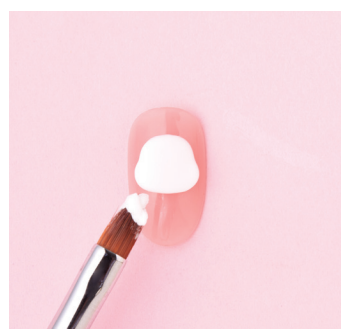

2 Apply UV base gel & cure.

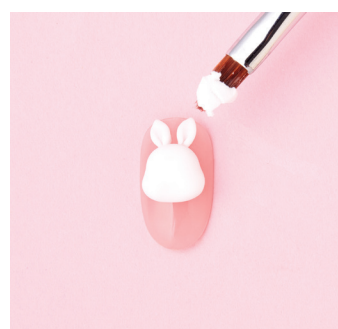

3 Apply a coat of pink Syrup UV/LED UV gel color & cure.

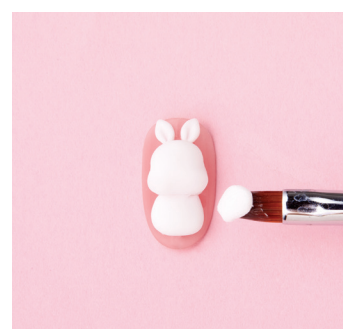

4 Apply Non-wipe UV/LED Top Gel & cure.

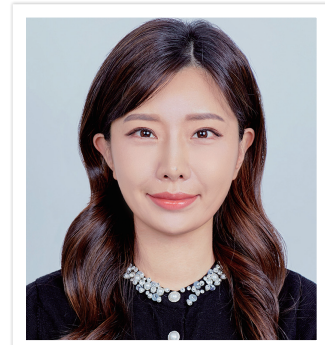

5 Design the face of a rabbit using white 3D UV/LED gel & cure.

6 Add volume to the face of the rabbit & design its ears using white 3D UV/LED gel & cure.

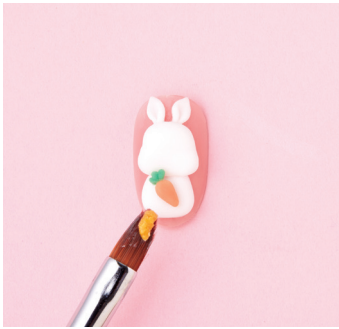

7 Design a chubby body of a rabbit using the white 3D UV/LED gel to build it up & cure.
