## MISTY MARBLE

## Choi Mi Kyoung

The founder of La Mort Beauty, a Shine, Nail Labo and Nail de Dance Instructor, Mi Kyoung has been in the nail industry since 2012. After majoring in *Beauty and Fashion Design*, she decided to become a nail professional. Working in nail education for over 10 years now, Mi Kyoung is proud to be cultivating nail professionals nationwide. She's a master of e-file, acrylics, salon art and has therefore been called upon as an editorial nail artist for *Nailholic* magazine.

### WHAT YOU NEED

Nail file, Shine Long Base Gel, Shine Non-Wipe Top Gel, Shine Color Gel (A01), Shine Misty Dream S.Wirly, gels polishes in Misty Red, Misty, Violet, Misty Burgundy and Misty Khaki, gel cleanser, pointe gel brush, sugar powder, sticker, tweezers, LED lamp.

### GETTING PREPARED

Prepare your table in an organized manner eliminating cross contamination from the products. Make sure all necessary products are within hand's reach, so the products are ready to use on the nail desk.

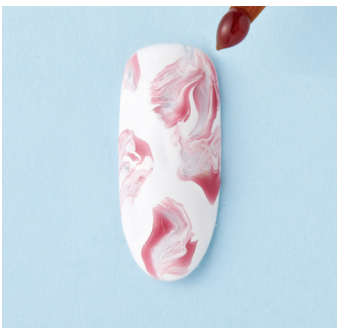

**1** Prepare the nail tip by filing to shape & size.

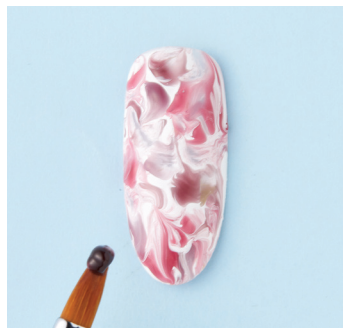

**2** Apply Shine Long Base Gel & cure.

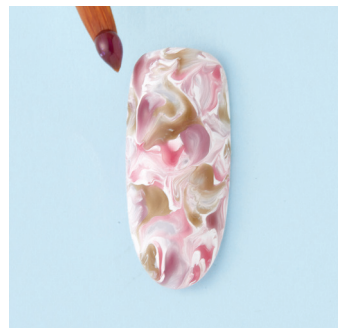

**3** Apply a coat of Shine A01 white gel polish & cure.

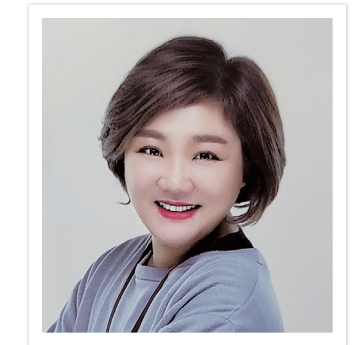

**4** Marble the surface of the nail with Misty Red color using the point brush.

**5** Marble the rest of the nail tip with Misty Burgundy color using the point brush.

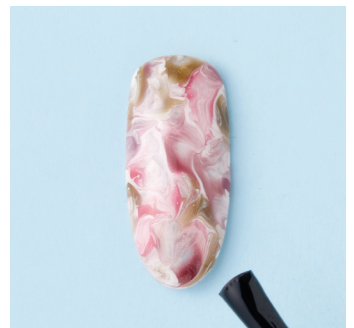

**6** Repeat step 5 with Misty Violet & Misty Khaki using the point brush & cure.
